Please note: While the information in this review is considered true and correct at the date of publication, subsequent changes to the software or vendor policy may impact its accuracy.

This information has been provided to you as a confidential service and should not be forwarded electronically or in hard copy to third party service providers.

Date of Assessment: November 2020

INFORMATION YOU SHOULD KNOW

- Parent consent for students must be obtained in order to comply with the vendor's Privacy Policy or Terms of Use.
- This service enables students to upload content. Teachers should supervise students to ensure they only upload personally identifiable content, including photos, that are required.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practise and teach safe online practices (see below)

Account creation and use

Students may use their Department email address but should **not** use their Department sign-on password when setting up an account.

Data minimisation

Only provide personal information that is essential for use of the service. Reconsider sharing any optional information including photos. Remind students not to post any photos of other people without permission from the individual and parent.

GeoGuessr

Assessment Report

A geography game which takes you on a journey around the world.

This information has been provided to you as a confidential service and should not be forwarded electronically or in hard copy to third party service providers.

Date of Assessment: November 2020

INFORMATION YOU SHOULD KNOW

- Parent consent for students must be obtained in order to comply with the vendor's Privacy Policy or Terms of Use.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practise and teach safe online practices (see below)

Creating strong passwords

Passwords created with a combination of upper and lowercase letters, numerals and special characters make it more difficult for other people to guess.

Using aliases/nicknames

Where possible, consider using non-identifying user names e.g. first name, first two letters of last name and a series of numbers e.g. JennBr25. Numerals chosen could be based on day of birth, house number, etc. to help young children remember.

Pixton EDU

Assessment Report
