**GROWING REMARKABLE PEOPLE**

Dear Parents/Carers

**RE: START OF YEAR 12 ATAR STUDIES DURING TERM 4 2022**

As you may be aware, Year 11 ATAR students will undertake their internal exams during Week 3 of Term 4.

The Year 11 ATAR Exams will commence on **Friday, 21 October** and conclude on **Thursday, 27 October**. Students are required to attend in school uniform and arrive early. All exams will be conducted in **EW 1 and 2** unless advised otherwise.

Students **must be at school on Monday, 31 October** to receive exam feedback and begin lessons for Year 12 ATAR courses. Classes will continue with the Year 12 program until **Friday, 25 November**, which marks the last day of school for all Year 11 students. A very few students may be required to attend beyond that date, to complete any unfinished assessments.

By beginning the Year 12 program early we believe that students will be better prepared, have more time to complete their courses and thus have more revision time towards the end of 2023. Consequently, these 4 weeks will be a period of formal study with an assessment component that will comprise a part of their Year 12 course grade.

Students that are not continuing with their current courses will need to meet with myself, Mr Hillier or Mr Blackmore to discuss what they need to do to best prepare for 2023. If there are concerns regarding your child's progress, you may be asked to attend a meeting at the school to discuss a plan of action.

I have attached the resource list requirements for ATAR courses to this letter. It would be desirable to have these Year 12 books arrive by the **Monday, 31 October** before Year 12 course commencement, so orders will need to be made to Champion Educational Supplies by **Friday 7 October 2022**.

Should you have any questions in regards to any of the points covered in this letter, please feel free to contact me on T: 97974400.

Yours sincerely

TAMARA NURSE
