Name	Category	Information provided:	Terms of Use / Privacy Policy
File Browser for Education https://www.stratospherix.com/products/filebrowsereducation/	Class Organisation	Student: work/content, photos or videos, geolocation data How the information is used: Organise and share files on mobile devices. Where the information is stored: Within Australia	https://www.stratospherix.com/products/filebrowsereducation/

Please note: While the information in this review is considered true and correct at the date of publication, subsequent changes to the software or vendor policy may impact its accuracy.

This information has been provided to you as a confidential service and should not be forwarded electronically or in hard copy to third party service providers.

Date of Assessment: February 2021

INFORMATION YOU SHOULD KNOW

- This service enables students to upload content. Teachers should supervise students to ensure they only upload personally identifiable content, including photos, that are required.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practise and teach safe online practices (see below)

Data minimisation

Only provide personal information that is essential for use of the service. Reconsider sharing any optional information including photos. Remind students not to post any photos of other people without permission from the individual and parent.

Highest privacy settings

Always check the privacy settings available and apply the highest level.

Creating strong passwords

Passwords created with a combination of upper and lowercase letters, numerals and special characters make it more difficult for other people to guess.

Passwords created with a combination of upper and lowercase letters, numerals and special characters make it more difficult for other people to guess.

Using aliases/nicknames

Where possible, consider using non-identifying user names e.g. first name, first two letters of last name and a series of numbers e.g. JennBr25. Numerals chosen could be based on day of birth, house number, etc. to help young children remember.

Padlet

Assessment Report

This is an online "bulletin" board, where students and teachers can collaborate, reflect, share links and pictures.

Age restriction	None	
Version	Paid	
Website	https://padlet.com/	
Terms of use/Privacy policy	https://padlet.com/about/privacy https://padlet.com/about/terms	
Data location	Outside Australia	
Category	Teaching and Learning References & Resources	
Personal information requested	<ul style="list-style-type: none"> • Student name • Student work/content 	<ul style="list-style-type: none"> • School name (optional) • Profile or other photos(optional) • Videos (optional)
Parent/guardian consent	Bundled consent required	

Please review the information provided in the table below. Not all information may apply to your school's use of the applications. Please cut and paste the below information into your **bundled consent form** for parents.

Name	Category	Information provided:	Terms of Use / Privacy Policy
Padlet https://padlet.com/	Teaching and Learning References & Resources	Information provided: Student name, school, student work, profile or other photos (optional) and videos(optional). How the information is used: Online "bulletin "board, where students and teachers can collaborate, reflect, share links and pictures. Where the information is stored: Outside Australia.	https://padlet.com/about/privacy https://padlet.com/about/terms

Please note: While the information in this review is considered true and correct at the date of publication, subsequent changes to the software or vendor policy may impact its accuracy.

This information has been provided to you as a confidential service and should not be forwarded electronically or in hard copy to third party service providers.

Date of Assessment: 1 October 2019

INFORMATION YOU SHOULD KNOW

- Parent consent for students must be obtained in order to comply with the vendor's Privacy Policy or Terms of Use.
- This service enables students to upload content. Teachers should supervise students to ensure they only upload personally identifiable content, including photos, that are required.
- The commercial version allows links to Padlet to be shared on their respective social media platforms. Please ensure that access is turned off or that an appropriate privacy and security assessment of the social media platform has been completed.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practice and teach safe online practices (see below)

Data minimisation

Only provide personal information that is essential for use of the service. Reconsider sharing any optional information including photos. Remind students not to post any photos of other people without permission from the individual and parent.

Highest privacy settings

Always check the privacy settings available and apply the highest level.

Using aliases/nicknames

Where possible, consider using non-identifying user names e.g. first name, first two letters of last name and a series of numbers e.g. JennBr25. Numerals chosen could be based on day of birth, house number, etc. to help young children remember.

PAT (ACER)

Assessment Report

Progressive Achievement Test is a series of tests to provide objective, norm-referenced information about students' skills and understandings in a range of key areas.

Age restriction	None
